

Sayuj Kuickel

Junior Frontend Developer

Sankhu , Kathmandu • 9768795855 • sayujkuickel@gmail.com

Junior Frontend Developer with a passion for creating engaging user experiences. Proficient in React, Node.js, and Next.js. Successfully implemented attendance management for Churchill Institue, Australia, demonstrating API integration and Data handling capacity. Continuously learning and exploring new technologies to enhance my skillset.

EXPERIENCE

Frontend Development in React JS / Next JS (Remote)	Parramatta NSW, Australia
Weboro	Jun, 2024 - Jan, 2025

EDUCATION

Bsc. (Hons) Computing	Kathmandu
Islington College	Aug, 2023 - Present
+2 Science	Kathmandu
The Times International College	Apr, 2021 - Apr, 2023

PROJECTS

Churchill Institute of Higher Education Website

Developed and maintained the Churchill Institute of Higher Education website, providing key information and resources for students, staff, and prospective students.
<https://churchill.nsw.edu.au/>

Churchill Attendance Management Dashboard

Developed an attendance management dashboard for Churchill Institute using Next.js and Tailwind, focusing on frontend development.
<https://attendance.churchill.nsw.edu.au/>

ADS Electrical website

Developed a responsive and visually appealing website for ADS Electrical using Next.js and Tailwind CSS, focusing on enhanced user experience and driving company growth through strategic design and a 15% increase in click rates.
<https://www.adselectrical.com.au/>

Aced Electrical Website

Developed a high-performance website for Aced Electrical Australia using the Astro framework, emphasizing speed and efficiency for optimal user experience.
<https://aced-electrical-astro.vercel.app/>
